Para 2 shows diversion via the “Three Forests Way”

- 1 **X** main RD by Zebra Xing and **TR**. Ahead 100M to large round ‘Ongar’ sign & **TL**. **CONT** past ‘The White House’ gates bearing **R** into narrow alley. **TL** at RD. **THRU** KG and **CONT** ahead on **TK**, passing farm buildings (on your **R**), staying on main **TK** as it twists and turns until it eventually goes under power cables. Immediately **TL** and follow **TK**, in direction of power cables, to corner. **TR** downhill. At **WM** on **R** **CONT** ahead. (0.9 miles)
- 2 **CONT** ahead on wide **TK** to **X FB**. Turn half **L**. After **TK X**'s ditch, **BEAR R** with path, **CONT** ahead, **THRU** gap (**WM**) to **RD** (Mill Lane) **TL**. At road junction **TR** (The Street) and **X RD with care**. **CONT** to just before Pub (Foresters Arms) **TL**, **THRU** Car Park, to gap between fence and hedge. **X** field to **X ST** (in hedge), down steps to **RD** (A414). **X RD WITH CARE** to steps up to **X ST**. **CONT** ahead on path. **CONT** ahead with trees on **R**. At **WM**, just before 4<sup>th</sup> Power Pole, **TR** to **RD** (**WM**). **TL** on **RD** to **RD** hump (**WM**). **TL** down slope then **TR** to **X** field. At **RD** (**WM**) **CONT** ahead on **RD**, go between buildings of “Little Forest Hall”, to pass half barrier. **CONT** ahead **WM** on **L**, trees both sides. At **WM** **CONT** ahead, pass trees on your **L**. At **WM** **CONT** ahead **X** field. At **WM X FB**, **CONT** ahead. At **WM** (on **R**) **CONT** ahead to “ESSEX WAY” **WM**. (2.9 miles)
- 3 **TR** into \*green lane (hedges both sides). Exit green lane and **CONT** on broad **TK** to **RD**.  
\*[DO NOT FOLLOW THE FIELD EDGE – it is NOT a public right of way and the landowners now object strongly.]
- 4 **CONT** ahead on **RD** for 90M and then **TR** at **FPS** (Bridleway) by telegraph post into green lane. **CONT** ahead to emerge at field edge for 250M then re-enter green lane and **CONT** ahead to **RD**.
- 5 **TR** to **CONT** on **RD** passing ‘The Barn’, ‘Little Witney Green’, & ‘Wit’s End’ (on your **L**) and then, 30M after ‘Private Road’ sign, **TR X FB** (**WM**). Follow **EP** to **WM**. **TL** **X** field. **THRU** gap in hedge (seen soon) at **WM**, **CONT** ahead **X** field to exit by **WM** and **FB** to **RD**. (4¼ miles)

- 6** At RD **TL** for 400M (Take care, bends in RD). Where RD bends **L** at road sign, Millers Green Road, **CONT** ahead and **IMMEDIATELY TR** at FPS **THRU** hedge, **X FB** and **TL** (keep hedge/fence on **L**). 20M after path turns **L**, **TR** (aim for church tower) to **X** field and **X FB** (**WM**). **TL** before bearing **R**. At **WM** **CONT** ahead on field edge uphill, ignore **L** turnings, (**TAKE CARE: HOLES IN TK**), to eventually **TL** to **X FB**, **TR** to go **THRU** gate, and pass between Willingale churches to RD. (**5 miles**)
- 7** **X RD** & **CONT** ahead at FPS (between wooden fences then with hedge on **R**) for 2½ fields, then at wide hedge gap, **X** to follow other side of hedge, in same direction, to **WM** just before field corner. **TL** over **FB** and **CONT** ahead (hedge on **R**) to corner. **TR**, **X** ditch and **TL**. **CONT** with hedge on **L** to **WM** at field corner.
- 8** **TR** following **TK**, ditch on **L**, for 100M to **TL** at **WM** and **X FB** (**WM**) over ditch and straight ahead on **TK** (ditch on **L**) for 300M to arrive at RD (**Take Care**).
- 9** **X RD** & **CONT** ahead on Byway (**L** of power pole) for 700M to T junction at narrow lane (**WM**). **TR** and **CONT** for 500M then **TL** at FPS on bend (25M before 'Private Property' sign). (**6½ miles**)
- 10** **CONT** 1000M (turning **R** with **TK**) & **TL** at sharp corner then 1300M on **TK**, ignoring any **TKs** off, to eventually emerge at FPS by lane. **CONT** ahead on lane for 500M to main RD. (**8¼ miles**)
- 11** **X MAIN RD HALF L** to FPS (just **R** of lay-by) and **CONT** on Byway for 900M (hedge on **R** at first then bearing **R** to go between hedges at **WM**). Emerge on hard surfaced lane passing house and barn to reach RD at junction.
- 12** **TL** over bridge, pass 2 white houses and then **VERY** soon **TL** at FPS just after telegraph post into **EP**. At end **TL**, follow **L** side of field to **X FB** in corner and **TR**. **CONT** 200M up **R** edge of field to FPS and **CONT** ahead **X** field aiming for **R(ish)** side of church spire.
- 13** At **WM X FB** and follow **L** edge of graveyard to pass **L** side of church exiting onto RD. **TL** and finish is 150M away by **\*CROSSROADS**. (**9½ miles**)
